What You Should Do Now To Get Started

- Complete and turn in the BSA Cub Scout application and Pack membership fee to the Membership Chair.
- Download and review the New Scout Parent packet so you know what Cub Scouting is all about and your son can get the most out of it. <http://pack134.org/downloads/>
- Consider being a Cub Scout leader for your son's Cub Scout Den or a member of the Pack Committee. Your son's experience in Cub Scouting depends on your involvement. See our Shutterfly website for open Adult positions.
- "How Can I Help?" Adult volunteers are what makes the Pack Go. See the Committee Chair for how you can help Pack 134 Go.
- Fill out the Pack T-Shirt and Cell number form and turn it in with the Cub Scout application.
- Scouting is more fun with friends! Every boy can be a Cub Scout at any time. Talk with other parents and boys and have them join your son's Cub Scout Pack to make Cub Scouting even more fun.
- Purchase a Cub Scout Uniform for your son. Be sure to get a size large enough to last several years as your son grows. There is a Uniform Checklist available that lists the Class A uniform items needed and has the scout shop location and online ordering information.
- Purchase and review the Cub Scout Rank Handbook and begin doing the activities in it with your son, especially those related to the outdoors and Bobcat requirements.
- Review this year's Pack 134 Activity Calendar to find out what kind of activities the Pack has planned for the next few months, and put them on your calendar so you can participate.
